

22 July 2022

Dear friends, staff and the school community.

On behalf of the Governing body I wanted to thank you all for supporting the schools through the seamless transition to a federation. Your hard work, patience and trust has helped us to maintain an enriching learning experience for all the children at both schools.

On my visits to both schools, it has been delightful meeting the children and seeing how confidently they engage with school life and visitors! There have been so many exciting and enriching experiences the staff have planned and delivered for all children for the children: African drumming, bike rides, transient art, life-cycles with chicks and caterpillars, weekly shoppers, campfires, just to name a few.

Our school has achieved a tremendous amount under the leadership of Becky, Gusthna, Maria and the whole school team. We cannot thank you enough for your hard work, drive and commitment. We know that both school's involvement in teacher training and continued professional development for staff and professionals from all over the world mean Children's House and Rachel Keeling are recognised as centres of excellence.

In a year when Rachel Keeling has celebrated 60 years and next year Children's House will celebrate 100 years, we are delighted to be celebrating and supporting both schools in planning for continued successes and further developments to safeguard the future of high quality nursery education for generations to come.

We wish all our school leavers an amazing journey in the next stage of their education and our team and families a wonderful summer: take the Children's House

& Rachel Keeling Values with you!
